

# Sew a fitted face mask

(to reduce droplet transmission)

Cut:

1 x lining (A) 

1 x main (A) 

1 x lining (B) 

1 x main (B) 

4 x 25-30cm of ribbon  
or elastic or bias tape.

STEP 1: Cut all materials out.

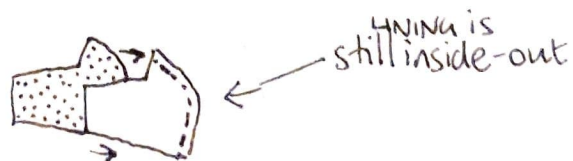

STEP 2: Stack (A) + (B) together, pattern on the inside

STEP 3: Sew the curve

STEP 4: Repeat Step 2 and 3 with the other fabric.

STEP 5: Turn the MAIN one the right way round and tuck it inside the LINING one.

STEP 6: Open the sides out like a butterfly and sew across the top and bottom.
